Sir,

I have the honor to request that you will kindly let me know what interest the Govt will give for a sum of Rs thirty-two thousand four hundred (Rs 32,400) which the Trustees of Mainmallappa's Charities propose to deposit under the conditions stated in Circular No 492-500/22 dated 9th Aug 1892.

The Trustees have erected a large school in Mysore (known as Mainmallappa's School); and the income derived from the balance of the Trust funds, supplemented by a Govt Grant-in-aid of (Rs 100) Rs one hundred per month, is exclusively devoted to the up-keep of the school and the assistance of certain poor scholars, and in particular of poor boys

belonging to the Trust

The school provides elementary education up to the Lower Secondary Standard; and since the abolition of the lower classes in the Maharajas College, it has acted as the principal feeder of that institution.

The school buildings are still in an unfinished state and the object of the Trustees in seeking to make this deposit is to enable them to complete the necessary work without further diminishing their income.

The Balance of the Capital of the Trust is made up as follows:—

1. 30 Mysore Govt. Railway 5% Debenture Bonds.	Rs 30,000
2. Interest due on above for 7 months	,875
3 Balance in Savings Bank & Secretary's hands	1,400

The Govt have already agreed to purchase the Railway Debenture Bonds at a premium of 8%, and if they will further consent to give interest at 5% on the sum of Rs 32,400 realized by the transfer, the

Trustees will be able to oblige the balance of their capital for the purpose above mentioned.
